

Winter Camp XLIV

Welcome to D-bar-A

December 27-28, 2020 * December 30-31, 2020**

Winter Camp is a unique experience that has built its own universe in the past 44 years. The challenges of the Covid-19 pandemic have caused some changes for 2020, but the essentials remain. Although it has been traditionally four nights at D-bar-A with most sleeping in a cabin, the two overnight experiences will be strictly outdoors at the Ranch. However, local events and at-home activities will help create a full experience.

We're glad you could join us — Winter Camp is Traditionally Unconventional
