Name (optional)

Steve Donohue

What were your favorite activities from Winter Camp?

Board Game tournament, Kangaroo court.

What activities would you like to try at Winter Camp?

Balloon bowling (launch balloons to knock down cups), Goal ball (blindfolded but ball has bells in it, played indoors), Heroscape on a long view board (ie set up all week and played at will with some reinforcements). I enjoyed Mishigami Risk and Winter Camp Clue. More adaptations of games would be fun. Maybe we could do custom game design at some point, then play the game later in the weekette.

What should we change about Winter Camp activities?

Need to ensure we keep favorites like HeroQuest available even as unscheduled activities. Free time was a nice addition.

What were your favorite meals from Winter Camp?

I liked most of the meals. New favorites were probably Minestrone soup and the Buffet meal. Shakshuka was also good. New breakfasts are hard to come by.

What meals would you like to try at Winter Camp?

Youth only meal cooked by youth. More meals better aligned with the theme.

What should we change about Winter Camp meals?

I have a much more detailed list based on feedback during the weekette and from others. Maybe include highlights there in the evaluation?

What would you like the theme to be next year?

I'd like to see some kind of fantasy theme or maybe something like minecraft or another popular game. Fifties suburbia might be fun -- think Happy Days at Winter Camp with campers trying to score Fonz points for prizes.

Additional comments

Connor, Ryan, and Sam were all excellent leaders and really drove the camp this year. I almost think we should rent Beaver Creek before Christmas or at least do an inspection so we know what sort of buzzsaw we're heading into.

I think we had better service projects this year, but things could still have been better.

We should consider purchasing a freezer as a donation.

We should consider a mid-year project where we celebrate El Mediodia at camp, clean up some of our junk, and possibly power wash cabin floors if there's support from camp.
